

# Congratulations

## Thank You

Thank you for reaching out to Mount Palomar Winery to host your very special day! We are excited to make your day a memorable highlight of your life! We are one of the very few historic wineries in Wine Country. Since our arrival to the Temecula Valley in 1969, we have prided ourselves with our traditional Italian atmosphere and award-winning wines. In true Italian fashion – we embrace you and your fiancé as one of the family.

## Customize

Because the day is YOUR day, we have ensured that our wedding packages are full of options and choices. No wedding is the same – so you should not be forced to settle for the “**common**” or the “**basic**”. We are here to complete your vision, not put you in a box.

## Coordinators

We have on site venue coordinators that will assist you with the timeline and flow of your day, as well as coordinating with your vendors to ensure that all runs smoothly.

## Intimate

Our venue is yours for the day. There is not a wedding preceding or proceeding yours. You may arrive on site the morning of, relax and get ready in our bride and groom suites. You have access to our vineyards and public spaces, as well as your private wedding areas for pictures.

## *Versatility*

Southern California is known for its amazing weather. With that being said – **we can't keep that** sunshine to ourselves, so we do have some rainy days. Because we know that versatility is paramount when it comes to Mother Nature, our gorgeous Barrel Room can serve as a **“back up” plan** for the reception, and in extreme weather, the ceremony as well.

Want to celebrate past 10pm? No problem! The Barrel Room is the perfect backdrop for an after party. **DJ's, bands or whatever you have chosen for your musical entertainment, they** will all enjoy the flexibility and ambiance of the Barrel Room. With full bar capabilities, you can keep the party going well into the night and early morning.

## *Assortment*

Being one of the very few wineries that boasts a FULL liquor license (wine, beer and hard alcohol), we are pleased to offer a wide array of choices when it comes to your bar package.
